

# DANDY LIFT™

Lifting, Leveling, and Tilting Transporters

**SOUTHWORTH**

# A Dandy Lift for Every Application

These inexpensive lifter/transporters from Southworth make any job easier. The Dandy Lift™ is essential wherever lifting, positioning, assembling, stacking, unstacking, transporting, or the need for

an adjustable height work surface is part of the job. Use it in factories, offices, stores, warehouses, repair shops, garages, nurseries—anywhere.

The Dandy Lift is available in several different types:

- Low profile for use with skids, containers, or pallets
- The Dandy Leveler™ which raises and lowers automatically as loads change
- The Dandy Tilter, which reduces reaching and stretching when working with small parts in totes or junior containers
- And now Powered Dandy with push-button lifting and lowering

Whatever your lifting, leveling or transporting needs are, there is a Dandy to suit your application.

**L-150—330 pound capacity**  
**L-250—550 pound capacity**

- Ideal for light industrial handling
- Attractively finished in enamel paint and chrome
- Parking lock
- Steerable castertype wheels
- Infinite height adjustment within range

**A-500—1100 pound capacity**  
**A-800—1760 pound capacity**

- Lifts to over 3 feet
- 20:1 mechanical advantage hydraulic system
- Parking lock
- Steerable castertype wheels
- Attractively finished in enamel paint and chrome
- Infinite height adjustment within range

**A-350W—770 pound capacity**

- Over 4 feet of lifting height
- Parking lock
- Rapid rise
- Steerable castertype wheels
- Attractively finished in enamel paint and chrome
- Infinite height adjustment within range

**M-500L—1100 pound capacity**  
**F-500L—1100 pound capacity**

- Two types for use with skids or containers, and plastic pallets
- Infinite height adjustment within range
- Parking lock
- Steerable castertype wheels
- Attractively finished in enamel paint and chrome

**DT-350W—750 pound capacity**

- Combines lifting, tilting, and transporting in a single unit
- Ideal for use with junior wire containers, pans or tote boxes
- Attractively finished in enamel paint and chrome
- Infinite height and tilt adjustment within range

**DLV-150—330 pound capacity**  
**DLV-500—1100 pound capacity**

- Automatically adjust loads to ideal height for feeding or offloading
- Minimizes bending and reaching
- Simple structure is virtually maintenance free
- Supports diverse loading needs
- Caster lock for parking
- A simple turn of the adjusting knob adjusts for varying load weights
